

British Laureate School: A Vision Comes to Life

On behalf of the entire British Laureate School (BLS) family, I am delighted to share the exciting journey of how BLS came to be—a journey that began with a dream and has now blossomed into a reality.

Our esteemed Chairman, Mr G.S Bahra's

vision two years ago to introduce an international curriculum to our region set the stage for what we are so proud to unveil today. After much work, dedication, and collaboration, we are thrilled to announce the launch of the British Laureate School, a unique institution that will officially open its doors in 2025.

From the very beginning, the goal was clear: to offer a world-class education that adheres to the rigorous standards of the Cambridge Curriculum. Achieving Cambridge certification has been no easy feat, but through the tireless efforts of our team,

we have successfully secured our affiliation.

I extend my deepest gratitude to each and every individual who has worked relentlessly to make this possible. With this prestigious affiliation, BLS will be the first exclusive Early Years and Primary Cambridge curriculum school in the region, with a proposed Cambridge pathway program which will extend to IGCSE, AS and A (K-12) levels in the near future. Our focus remains firmly on nurturing young minds, fostering holistic development, and providing an international education that empowers students for a globalized future

Successful Parent Orientation Program: A Step Toward Building a Strong School Community

As we approach our opening in 2025, we are committed to building a strong and supportive school community. One of the key milestones in our journey was the Parent Orientation Program event, which witnessed an overwhelming participation of over 200 parents, was a resounding success.

The orientation provided an opportunity for parents to learn about the philosophy, values, and curriculum at BLS, and it was heartwarming to see such enthusiasm and support from the parent community.

The event helped parents better understand approach to education, ensuring we are aligned in our shared goal of providing the best possible educational experience for their children.

Open House Event: A Grand Success in Admissions

In addition to our parent orientation, the Open House event held recently was another major success. The event gave prospective families the chance to visit our team, interact with our dedicated faculty and staff, and get a firsthand look at the offerings of Cambridge curriculum at BLS. The positive feedback from attendees was overwhelming, and we are pleased to report that the Open House has resulted in strong interest and numerous successful registrations. We are excited to welcome our first cohort of students in 2025 and look forward to seeing them thrive at British Laureate School. With many more such events planned in the coming days, we look forward to building a community of BLS.

As we continue to build on the momentum of these early successes, we remain steadfast in our commitment to excellence in education.

At BLS, every step we take is with the aim of providing an enriching, inclusive, and global learning experience for all our students.

We look forward to welcoming our students, families, and staff the British Laureate School community in 2025 and beyond!

Engaging Young Children During the Winter Months: A Christmas-Themed Guide for Parents

As the cool winds of winter sweep across Punjab, it's the perfect time to create cozy and memorable moments with your little ones. With Christmas around the corner, this season offers countless opportunities to engage children in fun, educational, and festive activities that will keep them entertained while also fostering growth and development.

Here are some creative ideas to make the most of winter and the holiday spirit with your young children:

1. DIY Christmas Crafts: Bring out your child's creativity by crafting festive decorations together. Whether it's making paper snowflakes, decorating Christmas trees with glitter, or creating handmade greeting cards for loved ones, these activities not only promote fine motor skills but also allow children to express their imagination and showcase their innovation.

2. Winter Nature Walks and Outdoor Fun: Even though it's winter, Punjab's winter days can still be pleasant. Take your little ones on nature walks to explore the winter landscape and reflect on the beauty of nature. Point out the changes in the environment—such as bare trees, migrating birds, and the crisp winter air.

3. Volunteering Together: The spirit of Christmas is all about giving and as Cambridge Curriculum advocates taking responsibility, let us take this opportunity to teach your child about kindness and generosity by participating in a community service activity. Whether it's donating clothes, distributing food those in need, or simply spreading cheer to neighbours, instilling values of empathy and compassion can be a meaningful experience.

**Wishing you and your little ones a joyful,
festive, and fun-filled winter holiday!**

Wishing You a Merry Christmas and a Happy New Year 2025!

As we approach the end of 2024, the entire team at British Laureate School extends our warmest wishes to all our students, parents, staff, and the broader community. May this festive season bring joy, peace, and warmth to your home. We hope you have a wonderful Christmas filled with love, laughter, and cherished moments with your loved ones.

As we look ahead to the new year, we are excited for all the opportunities 2025 holds, and we are deeply grateful for the support and trust you have placed in us. May the coming year be filled with new beginnings, growth, and success for your child and family.

Merry Christmas and a Happy New Year from all of us at British Laureate School!

Let's make 2025 a year of learning, joy, and unforgettable experiences together!
