NEWSLETTER AUGUST 2025

THE MONTH OF AUGUST AT
BRITISH LAUREATE SCHOOL
WAS FILLED WITH JOY

Creativity and celebrations that highlighted
the spirit of learning and togetherness.

Dear Parents,

As we bring the month of August to a close, our hearts remain with the people of Punjab, Himachal Pradesh, Uttarakhand, Jammu & Kashmir and all areas ravaged by floods and natural calamities. At British Laureate School, we stand in solidarity with all those affected, and we strive to nurture in our learners the values of responsibility, resilience, and compassion, which are most essential in such testing times.

In the face of challenges, the learning journey at BLS has remained uninterrupted. With the seamless integration of online classes, our teachers and

students have once again demonstrated adaptability and commitment, ensuring that the rhythm of teaching and learning continues undisturbed. It is this spirit of perseverance that strengthens our collective resolve as a school community.

August was also a month of meaningful celebration. Independence Day was observed with dignity and pride, offering our students the opportunity to reflect on the essence of freedom and responsibility. Alongside academics, co-curricular engagements and classroom projects continued to enrich student learning, reinforcing the balance between knowledge, creativity, and expression.

As we look ahead, we remain dedicated to fostering an environment where our learners not only excel academically but also grow as empathetic individuals—prepared to meet challenges with courage and to contribute positively to society.

Best regards

Ramanjit Ghuman
Director, British Laureate School

Inter-House **RAKHI COMPETITION**

We began the month with the Inter-House Rakhi Competition, where our students showcased their creativity while embracing the values of love and tradition.

JANMASHTAMI CELEBRATION

Soon after, the festive spirit continued with the Janmashtami Celebration, where children beautifully depicted the life and teachings of Lord Krishna through music, dance and cultural performances.

INDEPENDENCE DAY CELEBRATION

Our Independence Day celebrations were marked with pride and patriotism. The Early Years and Primary students presented songs, dances and theatre activities that reflected their love for the nation and their understanding of India's rich heritage.

Appreciating the wonderful performances, Chairman Shri Gurvinder Singh Bahra and Director Mrs Ramanjeet Ghuman urged the students to uphold the values of freedom and unity.

National **SPACE DAY COMPETITION**

Adding to the spirit of inquiry, our students participated in the National Space Day Competition. The projects and poster-making activities displayed their imagination, research and excitement for the mysteries of the universe.

PARENT-TEACHER MEETING

We concluded the month with our Parent-Teacher Meeting, a valuable opportunity for collaboration between school and home, ensuring that each child's progress and growth remain at the heart of our efforts.
